The schedule will state the times within which articles will be required to be delivered; and where the printed schedule is not used the periods stated in it for deliveries must be copied in the bids. All the articles which may be contracted for must be delivered at such place or places, including drayage and cartage to the place where used within the neavy-yards, respectively, for which the offer is made, as may be directed by the communiting offers theyrof; and, all other things being equal, preference will be given to American manufacture. No article will be received after the expiration of the period specified in the schedules for the completion of deliveries, unless apecially authorized by the department.

B is to be provided in the contract, and to be distinctly understood by the bidders, that the amount and number of articles sciumerated in classes headed "this collaneous" are specified as the protable quantity which may be required, as well as to fradest for determining the lowest bid; but the contractor is to turnish more or less of the said enumerated articles, and is nead quantities, and the contractor is to form and the contract because of the past office shall be deemed sufficient notice,) during the fixed year editing 30th June, 1838; and whether the quantities required he more or less than those specified the prices chall counts the same.

All the articles under the contract must be of the best quality, delivered in good order, free of all and every charge or expense to the government, and asthect to the inspection, count, weight, or measurement of the naid axery yard, and be in all respects satisfactory to the commandant thereof. Budders are referred to the yard for plane, specifications, or samples, and any further description of the articles. Contractors for classes headed "miscellaneous," who do not reside near the past of the lead

commandam, so path quarterly on the first of January, April, July, and October, when the deliveries have been satisfactory, and the balance (eighty per cont.) will be paid by the respective many agents within thirty days after the presentation of bills, in triplicate, duly variabled and an approved.

No part of the per centum reserved is to be paid until all the rejected archess offered under the contract shall have been removed. It will be stipulated in the contract that, if default shall be made by the parties of the first part in delivering all or any of the articles mentioned in any class bid for, of the quality and at the times and piaces above provided, then and in that case the said parties will strick and pay to the Casteel States a sum of money not to exceed twice the amount of such class; which may be recovered from time to time according to the act of Congress, in that case provided, approved March 3, 1848.

The surveits many agent, collector, district successor, and their responsibility certified by a navagent, collector, district successor, and their responsibility certified by a navagent collector, district successor.

March 3, 1848.

The sureties must sign the contract, and their responsibility certified to by a may agent, collector, district attorney, or some other person make actorily known to the bureau.

long and 3½ inches wide.

Proposals for the above must state the weight and price per ream for paper and price per thousand for envelopes.

By the act approved June 17, 1844, the Clerk of the House of Representatives is "directed to confine his purchasee exclusively to articles the growth and manufacture of the United States, provided the same and be precured of such growth and manufacture, of suitable quality, and at reasonable prices, upon as good terms as to quality and prices can be potentially of freign growth and manufacture." A preference will therefore be given to the productions of American industry; and all percons making proposals to supply any article will state whether the same is of the growth and manufacture of the United states.

whether the same is of the grown and manuscaure of the children children.

The articles are to be delivered, free of any charge for tarriege, at the office of the Clerk on or before the 15th of October next, and to be paid for as soon as the Committee on Accounts shall andt the bill. Each bidder, though he may desire to propose for the whole of the articles above enumerated, will be required to make a separate and existing uponed for each dem; and no proposal or paper embracing more than a single item will be considered. Each proposal to be endorsed "Proposals for item No. —, chase No. —, of stationery for House of Representatives of the United States," and addressed to the undersigned. They will be free of postage.

Sufficient specimens of each item accompany the proposal, marked with the name of the bidder and the number of the class and item, according to the above advertisement.

according to the above and the number of the class and item, according to the above advertisagnat.

The person offering to furnish any description of articles at the lowest price, quality considered, shall receive a contract for the same on executing a bond, with two or more sursties, satisfactory to the Clerk, for the performance of the same, under a forbiture of twice the contract price in the case of failure; which bond must be filed in the office of said clerk within ten days after the proposals have been opened and the result declared.

The right is reserved, in case it should be necessary, to order a furnishment.

[No. 580.]

Notice

Of the Establishment of three adultional Land Offices in the Territory of Nebraska.

of Nebroskot.

In pursuance of the act of Congress approved March 34, 1857, entitled "An act to establish three additional land districts in the Territory of Nebroskot," to be called, respectively, the "Neskata Livib Bermer," the "South "Laver River Lano Bermer," and the "Dakora Lano Bermer," it is hereby declared and made known that the offices for said districts have been established as follows, viz.

For the "Neskata Lano Bermer" at Rownsville.
For the "Gourn Player Darmer" at Nebroski City.
For the "Dakora Bermer" at Dakota City, in said Territory.
Given under my band, at the city of Washington, this thricenth day of April, 1857.

By order of the President:

JOS. S. WILSON,
Acting Commissioner of the Goneral Land Office.

Jos. S. WILSON,
Acting Commissioner of the General Land Office.

NAVY DEPARTMENT, Surescu of Construction, &c., May 2, 1857. SEALED PROPOSALS for delivering 50,000 cubic town, Manachusetts; Brooklyn, New York; Philadelphia, and at Gosport, Virginia, will be received at this bursan until the 15th June,

contract, and, as additional and collateral socurity, 15 per cent. will be withheld on the amount of each delivery until the contract is completed.

In all the deliveries of the timber there must be a due preportion of the most difficult and crocked pieces, otherwise there will be with held such further amount, in addition to the 16 per cent. as may be judged expedient to secure the public interest until such difficult portions be delivered. The remaining 55 per cent., or other proportion of each bill, when approved in triplicate by the commandant of the yard, will be paid by such navy agent as the contractor may name within thry days after its presentation to him.

It will be stipulated in the contract that if default be made by the parise of the first part in delivering all or any of the timber named of the quality and at the time and place provided, then and in that case the contractor and his survision will forfist and pay to the United States a sum of mobey not exceeding twice the total amount therein agreed upon as the price to be paid in case of the actual delivery thereof, which may be recovered from time to time, according to the act of Congresa in that case provided, approved March 3, 1843.

The 50,000 cubic fact to be delivered in each yard will be in the following proportions—ay 8,000 cubic feet of keelsons, and lei inches, These pieces to be in number in the proportions in which they enter into the construction of a ship-of-war, conforming substantially in shape, length, and character with those heretofore received with frames of corresponding shing, the moulds of which can be seen at any of the yards named.

32,000 cubic feet of the siding of 12 and 15 inches, in about equal quantities of each, and 5,000 cubic feet of a siding of 12 inches; all these pieces being in longth from 13 to 17 feet, having a natural and fair curve of from 13 to 36 inches or more in that longth; and two-thirds the number of the siding to having a feet of the siding the contract of the siding the second to the substitute o

I, of the State hereby agree to furnish and deliver at the United States navy-yard at fifty thousand cubic feet of live-oak timber, in conformity with the advertisement of the Bureau of Construction of the date of May 2, 1857, vizz 8,000 cubic feet, suitable for principle places, sided 18 and 20 inches, at per foot.

32,000 cubic feet curved timber, sided 15 and 15 inches, length 18 to 17 feet in part foot.

32,000 cubic feet curred timber, sided 13 and 15 menes, sength 10 to 17 feet, at — per foot.

5,000 cubic feet curred timber, sided 12 inches, length 13 to 17 feet, at — per foot.

5,000 cubic feet timber, siding 15 and 16 inches, length 17 to 20 feet, at — per foot.

Cotal value.

Should my offer be accepted, I request to be addressed at and the centract forwarded to the mary agent at —, or to me for signature and certificate.

(Date.)

The undersigned, of in the State of horeby guaranty that, in case the foregoing bid be accepted, within ten days after the receipt of the contract at the post office named, or navy agoncy designated, execute the contract for the same, with good and sufficient surcties; in case said shall fail to only the contract as aforecast, we guaranty to make good the difference between the offer of the said and that which may be accepted.

I hereby certify that the above-named C D and E F are known to ne as men of property, and able to make good their guarantee. (Date.) (To be signed by the United States district judge, United States dis-rict attorney, collector, or navy agent, and no other.)

Washington Aqueduct.

PROPOSALS are invited for materials and work for the Washington aquaduct.
Proposals received up to 7th May will be opened at noon of that

day.

Maps, profiles, and specifications of the materials and work to be let will be ready for examination at this office on and after the 20th

let will be ready for examination at the outer on any April next.

The work to be let will embrace masonry of some of the bridges, graduation, excavation, and embankment of reservoirs, iron pipes connected with the reservoirs, 12-inch iron main, gate houses, bricks, aand, rubble, and cut stone, &c.

For the particular works and materials reference is made to the

For the particular works and materials reference is made to the appecifications and plans.

As upon a portion of the line the titles are not yet acquired by the United States, there may be zone delay in commencing the work thereon; but for such unavoidable delays due allowance will be made in the time of completion.

Fortions only of some of line works can be completed under the present appropriation; but all contracts for unfalshed work will be subject to future appropriations by Congress. The engineer reserves the right to prescribe the amount of work to be done and rate of progress under such contract for each appropriation; and in case of the appropriation not holding out sufficiently, to decide whou and what works shall be stopped until funds become available.

In case of the entire steppage of any particular work for want of funds, the reserved ten per cent, will be paid, if, in the judgment of the engineer, the work has been properly executed so far as it has gone.

the engineer, the work has been properly executed so far as it has gone.

Payments will be made in specie checks upon the United States treasury upon the mouthly estimates of the engineer, reserving 10 per cent; and it will be a condition of all contracts that the workmen shall be paid their full wages menthly, and in specie.

All bids should be scaled, and endorsed "Preposals for work or materials on the Washington Aqueduct."

The United States reserves the right to reject any or all the bids should they not be deemed advantageous, and to make such arrangements as may be considered most conductor to the progress of the work.

Every offer must be accompanied by a written guarantee, signed by one or more responsible persons, to the effect that he or they undertake that the bidder or bidders will, if his or their bid be accepted, enter into an obligation, within ten days, with good and sufficient securities, for the completion of the work undertaken; said guarantee to be accompanied by the certificate of the United States district judge, United States district autorney, navy agent, or some officer of the general government or individual known to the Engineer or Department of War, that the guarantors are able to make good their guarantee.

Eds will be opened in presence of bidders, if any of them choose to

By the act approved June 17, 1844, the Secretary of the Senate is directed to confine his purchases exclusively to articles of the growth and manufacture of the United States, provided the same can be procured of such growth and manufacture of suitable quality, and at reasonable prices, upon as good terms at to quality and price as can be obtained of foreign growth and manufacture. A preference will therefore be given to the productions of American industry, and all persons making proposals to supply any article will state whether the same is of the growth and manufacture of the United States.

The articles must be delivered at the office of the Secretary of the

Senate at Washington, free of any charge for carriage, on or before the 10th of September next.

Every article must be of the very best quality, unless an inferior article is called for.

It is estimated that the quantities above mentioned will be required for the first assion; but the right is reserved to the Secretary to order, upon giving reasonable notice, any additional quantities during that sension, or for any antasequent assion of the Thirty-Eth Congress.

A sufficient specimen of each article proposed for (of paper half a quire, and of envelopes 25) is to accompany the proposal, and to

ave been accepted.

If any article contracted for should not be delivered within the time inpulated, or should be inferior in any respect to the sample, the bond the contractor will be put in suit.

Proposals should be ensured "Proposals for stationery for the enals," and be directed to the Secretary of the Senate at Washing.

Sale of Indian Trust Lands in Kansas Territory.

150CLAMATION

BY THE PRESIDENT OF THE UNITED STATES.

IN THE PRINCIPLY OF THE UNITED STATES.

In pursuance of law, I, FRANKLIN PIERCE, President of the United States, do hereby declare and make known that a public sale will be held at lowa Point, Deniphan county, in the Territory of Kanasa, commencing on Traceday, the fifth day of May next, for the disposal of such of the lands held in trust by the United States for the benefit of the lowa tribe of Indians as are situated within the undermontioned towarships of land in said Torritory, and coded by said Indians in trust as aforesaid, to wit:

South of the base line and east of the sixth principal meridian.

South of the base line and east of the sixth principal meridian. Townships No. one, in ranges affeon, sixteen, seventeen, eighteen, nineteen, and twenty. en. Townships six, seven, eight, nine, and ten, of range eightsen. Townships six, seven, eight, nine, and ten, of range eighteen. The terms of said sales will be cash, and no bid will be received below the valuation placed upon the several tracts by the commissioners duly appointed for the purpose of classifying and valuing the same; and upon payment being made, receipts in duplicate will be executed therefor, one of which will be delivered to the purchasor.

Patents will subsequently be issued for the lands se purchased in accordance with the laws in force regulating the issue thereof.

The offering of the above lands will be commenced on the days respectively appointed, and will preceed in the order in which they are advertised, with all convenient despatch, until the whole shall have been offered and the sales thus closed.

All purchases not paid for on the day of rale will be receffered on the following day at the risk of the defaulting purchaser.

diven under my hand at the city of Washington this twenty-sixth day of Fobruary, eighteen hundred and fifty-seven.

By the President:

By the President:

GEO. W. MANTENNY,
Commissioner of Indian Affairs.

N. B.—No newspaper is authorized to publish, the foregoing adversement without special instructions to that effect from the Commissioner of Indian Affairs.

Feb 28—lawtLJune.

NOTICE is hereby given that the place of sale of the Delaware trust lands in Kamas Territory, advertised to take place at Lecompton on the 23d day of June next, has been changed to, and will communic at, Osawkee, in said Territory, on the

me day and date.

By order of the Secretary of the Interior:

CHARLES E. MIX,

Change in the Days of Sale of the above-de scribed Indian Trust Lands in Kansas.

DEPARTMENT OF THE ISTERIOR,
Office of Indian Affairs, April 11, 1857.

NOTICE is hereby given that the days designated in the foregoing proclamation for the commencement of the sale of certain Indian trust lands are changed ant postponed to the following periods:
Iowa lands, at lowa Point, to Wednesday, 3d day of June next.
The lands of the Weas, &c., at Paoli, to Wednesday, 24th day of June next.

une next.

Delaware lands, at Osawkee, to Wednesday, 15th day of July next.

By order of the Secretary of the Interior. CHARLES E. MIX, Commissioner ad interim

United States Patent Office, Washington, April 8, 1857

Washington, April 8, 1857.

On the petition of Harriet V. Terry, administrativa of Win. D. Terry, deceased, of Boston, Massehusetts, praying for the extension of a patent granted to the said Win. D. Terry, on the 12th day of July, 1843, for an improvement in "cast iren pavements," for soven years from the expiration of said patent, which takes place on the 12th day of July, 1857.

It is ordered that the said petition be heard at the Patent Office on Monday, the 20th of June next, at 12 o'clock, m.; and all persons are notified to appear and show cause, if any they have, why said petition ought not to be granted.

Persons opposing the extension are required to file in the Patent Office their objections, specially set forth in writing, at least twenty days before the day of hearing. All testimony filed by either party to be used at the said hearing must be taken and transmitted in accordance with the rules of the office, which will be furnished on application.

cordance with the rules of the case, where the 19th of June; depositions,

The testimony in the case will be closed on the 19th of June; depositions, and other papers relied upon as testimony, must be filed in the office on or before the morning of that day; the arguments if any, within ten days thereafter.

Ordered, also, that this netice be published in the Union, Intelligencer, and Evening Star, Washington, D. C.; Ropublican, Baltimore, M.; Pennsylvanian, Plinkelephia, Pa; Baily News, New York, N. Y.; and I'est, Boston, Mass., once a week for three successive weeks previous to the 29th of June next, the day of haring.

Commissioner of Patents.

Commissioner of Patents.

P. S.—Editors of the above papers will please copy, and send their Mils to the Patent Office, with a paper containing this notice. Ap 9—laway THE NEW YORK AND LIVERPOOL UNITED States mail steamers.—The ships comprising this line are the

The Atlantic. Capt. Oliver Eldridge.
The Baltic Capt. Jos. Comstock.
The Adriatic Capt. James West.

These aships having been built by contract expressly for government service, every care has been taken in their construction, as also in their engines, to insure strength and speed; and their accommodations for passengers are unequalled for elegance and comfort.

Price of passage from New York to Liverpool in first cabin, \$130; in second cabin, \$75. From Liverpool to New York, 50 and 20 guineas.

An experienced surgeon attached to each ship.

No borths can be accurred until paid for.

The ships of this line have improved water-tight bulk heads, and, to avoid daager from ice, will not cross the Banks north of \$2 deg. until after the list of August.

MOUNT WASHINGTON FEMALE COLLEGE, near Battimore.—The summer reason of this flourishing in etitution, located at Mount Washington, six miles out on the Northern Central railroad, and chartered by the Maryland legislature, will open on the first Wednessiay in May, 1857, with a full faculty of exprinenced instructors; consisting of five gentlemen and several latinative of the contraction of the structure of the purposes of a fit-ished female education. No pains or expenses have been apared to make it what it ought to be in all respects. The locality is highly achief temale education. The shady and beautiful grounds afford ample scope for pleasant walks and heatiful recreation. The building is a large, imposing brick edifice, exercted expressly for a fractalist female college, thoroughly ventilated, lighted with gas, handsomely furnished, water supplied to each story, and has accommodations for about 100 bearders. The establishment is very complete, coating at loss than \$40.000. Buring this the first year of its operation, it must be a first paid of Rev. Der. E. Heiner and Hon. J. Vaneans, Baltimore and Rev. George Lewis Scaley, Principal, Mount Washington, Maryland.

British Statewards.
